# MagicQ MQ250M

Product code 100-250

Optional Flight Case Product Code: 100-251

MagicQ MQ250M Stadium combines a high capacity of show control with portability for a complete on-the-go console solution. MQ250M has the ability to control up to 128 universes without any additional processing equipment with the ready-to-go MagicQ software you are already familiar with. 10 backlit and motorised faders and 10 backlit playback encoders with executors give you a lot of programming real estate in the small frame MQ250M is designed in.

## Features

- 10 Motorised Playback faders, 500 Pages
- 10 Encoder Playbacks, 500 Pages
- Backlit Keys
- Illuminated Faders/Encoders with RGB Control
